

AQSA MURAD

PROFESSIONAL SUMMARY

I am a dedicated person who tries to bring the maximum benefits to the organization. I am a keen learner and feel happy to perform the tasks assigned. I always find a way to make things simpler. I manage my tasks and perform them timely. I try to adapt new skills and learn from my experiences. I am a problem solver and try to contribute my maximum efforts such that my organization can grow.

SKILLS

- Analytical thinking
- Research oriented
- Active Learner
- Well communication
- Social perceptiveness
- Good command at Softwares

EXPERIENCE

Lab Engineer

TIEST, NED University of Engineering and Technology
Mithi, Pakistan

June 2021 -
Current

- Conduct Practical classes, teach subjects such as Engineering Drawing, Introduction to Computing for Civil Engineers.
- Assigned and graded Open ended lab projects.
- Member of OBE, maintain subject course files.
- Perform duties as Library Incharge, manage the status of books and issue books to students.
- Organize Community Service for students.
- Perform duties as Incharge of Fluid Mechanics lab and Drawing hall.
- Maintain status of Equipments.
- Invigilation during Mid Term, Semester Exams and Entry Test 2022.

Teaching Assistant

Mehran University of Engineering and Technology
Jamshoro, Pakistan

September 2020 - June
2021

- Assisted Professor with in-class activities, maintained course files, taught online via zoom meetings, co-supervised Bachelor's projects, graded assignments, tests and did career counseling.
- Performed Invigilation duties during Exams.
- Conducted Practical classes, taught subjects such as Soil Mechanics and Geotechnical Engineering.
- Assigned and graded open ended lab projects.
- Observed students' performance, engaged them in discussions, and assigned tasks to boost their confidence.

Trainee
NESPAK | Nawabshah, Pakistan

June 2019 - July
2019

- Performed Internship on Lining of Irrigation Canals.
- Learnt studying and understanding of Engineering Drawings.

Trainee
RCC Consultants | Hyderabad, Pakistan

July 2018 - August
2018

- Worked on excel for quantity estimation of Mosque being built in Sindh University, Jamshoro.
- Experienced the construction of new filter plant by RCC Consultants.
- Learnt the working of filtration plant in Hyderabad.

EDUCATION

Matriculation

April 2013

OPF Public School, Sanghar, Pakistan

Cleared with **86.82%**.

Intermediate

March 2015

Government Girls Degree College, Sanghar, Pakistan

Cleared with **79.09%**.

Bachelor's degree in Civil Engineering

December 2019

Mehran University of Engineering and Technology, Sanghar, Pakistan

Cleared Bachelors with **3.90 CGPA**.

Masters in Structural Engineering

April 2022

Mehran University of Engineering and Technology, Jamshoro, Pakistan

Cleared Masters with **3.98 CGPA**.

PROJECTS

- Seismic Analysis of a High-Rise Building- A case study.
- Parametric study on the compressive of Fly ash and Metakaolin based Geopolymer Concrete.

ACHIEVEMENTS

- Medal Winner for best paper published in International Civil Engineering Conference, NED.
- Master of Ceremony in International Conference on Sustainable Development in Civil Engineering, MUET. Recipient of cheques awarded by University for being in top 10 in all 4 years of Bachelors.
- Representer of Civil Engineering Department, MUET in Program New Generation.
- Girls Representer in MUCES.
- Best Delegate award in MUET, Model United Nations.
- Honorable Mention award in MUET, Model United Nations.
- Outstanding Diplomatic award in LUMHS, Confol.
- District Position in Entry Test.

LANGUAGES

- English
- Urdu
- Sindhi

HOBBIES

- Sketching
- Painting
- Decorating/ Organizing
- Cooking
- Reading
- Traveling
